LIVERPOOL SOCIETY BUSINESS
MEMBERS FORUM 23 MARCH 2017

A private breakfast and boardroom discussion for ICAEW members working in business and industry.

You are invited to attend the inaugural Liverpool Society Business Members Forum at Tranmere Rovers FC.

This will be hosted by Liverpool Society member, Mark Palios, who is also of course the Chairman of Tranmere Rovers.

These forums will be an ideal opportunity to take time out to meet with fellow members to discuss issues affecting business, how businesses are reacting in the current economic climate and review the findings of the latest ICAEW UK Business Confidence Monitor, whilst hearing from a keynote speaker and learning about a leading local business with a Chartered Accountant at the helm.

Our first event will be focussed on Tranmere Rovers FC who are of course

Wirral's standard-bearer football club with a passionate following on the peninsula and a proud history dating back to 1884. Our Liverpool Society member, former CEO of the FA, and of course former Tranmere player Mark Palios and his wife Nicola took over the club in 2014, and have ambitious plans to restore former glories.

Martyn Best, Past President of the Liverpool Society of Chartered Accountants and Editor of Chartered ONE is also a Trustee of Tranmere Rovers in the Community (TRIC) and an Associate Director of the club.

Mark and Martyn will be providing

insights into how the club are developing a sustainable business model to underpin Tranmere's footballing ambitions of a quick and progressive return to league football. They will discuss the community and business developments of Tranmere Rovers and provide a brief look forward to the next 6 months, which they of course will include promotion from the National League.

There will also be the opportunity for a tour of the suites and the stadium after the event.

This event is open only to ICAEW members in business or industry - Chatham House rules apply.
